Part X Public Charity Status

Part X is designed to classify you as an organization that is either a **private foundation** or a **public charity**. Public charity status is a more favorable tax status than private foundation status. If you are a private foundation, Part X is designed to further determine whether you are a **private operating foundation**. (See instructions.)

- 1a Are you a private foundation? If "Yes," go to line 1b. If "No," go to line 5 and proceed as instructed. If you are unsure, see the instructions. Yes No
- b As a private foundation, section 508(e) requires special provisions in your organizing document in addition to those that apply to all organizations described in section 501(c)(3). Check the box to confirm that your organizing document meets this requirement, whether by express provision or by reliance on operation of state law. Attach a statement that describes specifically where your organizing document meets this requirement, such as a reference to a particular article or section in your organizing document or by operation of state law. See the instructions, including Appendix B, for information about the special provisions that need to be contained in your organizing document. Go to line 2.
- 2 Are you a private operating foundation? To be a private operating foundation you must engage directly in the active conduct of charitable, religious, educational, and similar activities, as opposed to indirectly carrying out these activities by providing grants to individuals or other organizations. If "Yes," go to line 3. If "No," go to the signature section of Part XI. Yes No
- 3 Have you existed for one or more years? If "Yes," attach financial information showing that you are a private operating foundation; go to the signature section of Part XI. If "No," continue to line 4. Yes No
- 4 Have you attached either (1) an affidavit or opinion of counsel, (including a written affidavit or opinion from a certified public accountant or accounting firm with expertise regarding this tax law matter), that sets forth facts concerning your operations and support to demonstrate that you are likely to satisfy the requirements to be classified as a private operating foundation; or (2) a statement describing your proposed operations as a private operating foundation? Yes No
- 5 If you answered "No" to line 1a, indicate the type of public charity status you are requesting by checking one of the choices below. You may check only one box.
The organization is not a private foundation because it is:
 - a 509(a)(1) and 170(b)(1)(A)(i)—a church or a convention or association of churches. Complete and attach Schedule A.
 - b 509(a)(1) and 170(b)(1)(A)(ii)—a **school**. Complete and attach Schedule B.
 - c 509(a)(1) and 170(b)(1)(A)(iii)—a **hospital**, a cooperative hospital service organization, or a medical research organization operated in conjunction with a hospital. Complete and attach Schedule C.
 - d 509(a)(3)—an organization supporting either one or more organizations described in line 5a through c, f, g, or h or a publicly supported section 501(c)(4), (5), or (6) organization. Complete and attach Schedule D.

Part X Public Charity Status (Continued)

- e 509(a)(4)—an organization organized and operated exclusively for testing for public safety.
- f 509(a)(1) and 170(b)(1)(A)(iv)—an organization operated for the benefit of a college or university that is owned or operated by a governmental unit.
- g 509(a)(1) and 170(b)(1)(A)(vi)—an organization that receives a substantial part of its financial support in the form of contributions from publicly supported organizations, from a governmental unit, or from the general public.
- h 509(a)(2)—an organization that normally receives not more than one-third of its financial support from gross **investment income** and receives more than one-third of its financial support from contributions, membership fees, and gross receipts from activities related to its exempt functions (subject to certain exceptions).
- i A publicly supported organization, but unsure if it is described in 5g or 5h. The organization would like the IRS to decide the correct status.

6 If you checked box g, h, or i in question 5 above, you must request either an **advance** or a **definitive ruling** by selecting one of the boxes below. Refer to the instructions to determine which type of ruling you are eligible to receive.

- a Request for Advance Ruling:** By checking this box and signing the consent, pursuant to section 6501(c)(4) of the Code you request an advance ruling and agree to extend the statute of limitations on the assessment of excise tax under section 4940 of the Code. The tax will apply only if you do not establish public support status at the end of the 5-year advance ruling period. The assessment period will be extended for the 5 advance ruling years to 8 years, 4 months, and 15 days beyond the end of the first year. You have the right to refuse or limit the extension to a mutually agreed-upon period of time or issue(s). Publication 1035, *Extending the Tax Assessment Period*, provides a more detailed explanation of your rights and the consequences of the choices you make. You may obtain Publication 1035 free of charge from the IRS web site at www.irs.gov or by calling toll-free 1-800-829-3676. Signing this consent will not deprive you of any appeal rights to which you would otherwise be entitled. If you decide not to extend the statute of limitations, you are not eligible for an advance ruling.

See attached By-laws, (Exhibit [C]) 8.03. The policy was incorporated into and adopted with the By-laws after consultation with counsel and review of the Internal Revenue Service Sample Conflict of Interest Policy.

Part VI, 1a. – Providing Benefits to Individuals

We connect individual patients with one another through our forums; we promote on our website individual advocacy efforts (for example, efforts by patients to raise awareness of the disease or to raise funds for research); we write summaries of the latest research; we provide patients with tools to create petitions and organize local events. [for a fee? Or for free?]

Part VIII, 2a. – Legislative Activities

Most of our advocacy efforts relate to attempting to influence administrative policy. For example, we have urged the National Institutes of Health (NIH) to invest more funds in researching the disease, the Centers for Disease Control (CDC) to increase medical education efforts, or Health and Human Services (HHS) to create a plan for the disease that coordinates across the agencies. We have done some congressional outreach to educate legislative aides about the disease and have advocated for equality in research funding, but most of that work has stopped short of directly attempting to influence legislation. We are guided in this by the expenditure rule. Congressional outreach is not our primary activity, and where it is undertaken, it is primarily the work of volunteers – patients who we help coordinate to reach out to their representatives to share their personal stories of living with the disease and its impact.

Part VIII, 2b. – Expenditure Election for Legislative Activities

See attached Form 5768, Election by an Eligible Section 501(c)(3) Organization to Make Expenditures to Influence Legislation (Exhibit [F]), which is being filed with this application.

Part VIII, 4a. – Fundraising Programs

We fundraise primarily through the donation page on our website as well as donation buttons on our newsletters. (Examples of each attached. You can also see the donation buttons embedded on our content pages)

Part VIII, 4d. – States Where Fundraising to be Undertaken

MEAction intends to raise funds in all 50 states. MEAction will undertake its own fundraising and only on its own behalf.

Part VIII, 10. – Intellectual Property

MEAction Network owns the rights to our logo, our trademarks and copyrights, and any fees generated from any of the above. At this time, we have no plans to charge for the use of our intellectual property.

Part VIII, 12b.-d. – Foreign Operations

We are a website that is available globally and often covers global news, e.g., research emerging in the UK or Australia, international patient advocacy news. Since we are a virtual community, our readership is global and our volunteers are based all around the world. We do not, however, have a formal organizational presence or employees in other countries, and most of our volunteers are based in the US.
